JOB SEARCH WEB SITES**

EUFASA'S DIRECTORY OF EUROPEAN JOB SEARCH WEB SITES

EUFASA, the European Union Foreign Affairs Spouses Association, is a non-profit making association composed of 25 European associations of diplomatic spouses and partners. EUFASA aims at exchanging information and ideas among its members, improving conditions relating to spouses, partners and families of transferable officers, raising awareness both at national and EU level, and gaining support for family-friendly policies within the European Ministries of Foreign Affairs.

Each national association at EUFASA has made a selection of web based job search tools in their respective country. From these selections, we have built the **EUFASA's Directory of European job search web sites**. This Directory aims to provide useful links to diplomatic spouses and partners, the so-called "accompanying people of transferable officers", who are seeking for an employment when they are posted abroad or when they go back to their home country. This Directory is a first step in a job inquiry. We would appreciate if you could keep EUFASA or your national association informed about the outcome of your search with EUFASA's Directory and provide us with a feedback.

Most of these job databases are free of charge for the candidates. EUFASA declines any responsibility in case of data misuse.
